"The revenue must be met." be desould I, with a wife and three young- ty in raising the money. There never erans assurances by Congressional action that the representatives of the 97 YEARS OLD, SHE people intend to do what is proper and right by them."

Because of the nature of the provisions of the bill and the ends to be met members of the Finance Committee and representatives of the Physician Ordered Mrs. Mayhew Said by Wife of Slain Man to American Legion object to the term bonus bill" as a misnomer. It is pointed out that the measure does not provide for a gift to the veterans, but an adjustment of their compenow in custody here is the man who sation due to their changed economic conditions as a result of the war and their participation in the war.

The plans included in the bill are: 1. "Adjusted service pay," \$1 per sen. A woman whom Mrs. Kaber says day for each day's service in the

service abroad, 2. "Adjusted service certificates," insurance on a sum 40 per cent. greater than his cash compensation, pay able in twenty years, with interes of 4 1-2 per cent. compounded annu-

ally. 3. "Vocational Training Aid," a Government expense in an amoun equal to his cash compensation plu

40 per cent. 4. "Farm or home aid." adjusted service pay, plus 40 per cent. for

home or farm. 5. "Public land preference," giving veterans first choice of Governmen lands now or hereafter opened.

If all the veterans should accep the cash plan the total outlay would amount to \$1,560,166,330, according to the latest estimates of the Treasury experts. The 1922 appropriation would be \$456,000,000, with a sharp decline for the succeeding years.

On the basis that every veteran socepted the certificate plan, the total ch here to-day in the presence of would aggregate \$5,273,345,563. The appropriation for 1922 would be \$21,-980,000, with yearly increases until

DELLORA ANGELL, HEIRESS TO GATES MILLIONS, TO WED

School Girl Mel C. Wilson Campbell, Los Angeles Oil Promoter, During Winter.

CHICAGO, June 10.

Miss Dellora Angell of Lake Forest, who inherited \$37,000,000 from her aunt. Mrs. John W. Gates, is reported to be engaged to C. Wilson Campbell, an oil promoter of Los Angeles, whom she met while at school in California last winter. Mr. Campbell is a graduate of Ohio State University and owns oil lands around Tulsa, Okla.

Miss Angell came into possession of \$300,000 of her fortune when her guardian was discharged on her eighteenth birthday, Dec. 23 last. When she is thirty years old she will receive a quarter of her inheritance, and five years later another quarter. At forty years of age, or more than twenty-one years from now, she will receive the remainder. Miss Angell also inherited and

has received \$100,000 from the estate of Charles W. Cates, her cousin, who was a son of John W. Gates. Upon the death of Edward J. Baker, an uncle, she is to inherit his share of the Gates millions.

Dean won the first three holes, was landed in a bunker on the tenth, An-

Unruffled by this setback the forcaped with halves on three greens mer Princeton star captured the where Dean's putt hit the cup and eleventh because his opponent drove stayed out. These little twists of into the rough. The next two holes tuck only succeeded in reducing the were halved, Anderson each time size of the winning margin. Dean, holing a fair-sized putt for his halfthe giant killer, simply was in form The break came on the next hole that could not be denied. The cards: when Peacock sank a long putt for a win 3 to 4. Anderson, wild, sliced Out 4 3 4 5 4 4 5 4 4-37 into a trap on the fifteenth and lost, giving Peacock a two hole lead.

The next hole was a heart breaker. Out 5 4 6 5 3 5 5 4 4-41 Anderson was far off the fairway, Anderson on the long seventeeath, had a short putt for a win but missed, which brought about the final result. There was not much in the Hale-Seeley match except Hale's fine all round playing. He drove well and his remarkable putting quickly put the Brooklawn veteran out of the fight.

CITY DECIDES TO PAY TRANSIT EMPLOYEES

Estimate Board Appropriates for 105 Salaries Upon Advice of Corporation Counsel.

At the suggestion of Corporation Counsel O'Brien the Board of Estimate to-day adopted a resolution providing for the payment of the 105 contested salaries of the employees tured the fifteenth. This caused the of the new Transit Commission. This downfall of the Siwanoy veteran. The action is taken despite the city's connext two holes were halved. The tention that the Knight-Adler law creating the new commission is unconstitutional.

The resolution invites employees of the Transit Commission who were taken over from the staff of former Transit Construction Commissioner Delaney to file claims against the city. with the approval of Mr. Delaney, and at the same salaries they received under him. The Comptroller is directed to certify that these claims and equitably obligated to pay them because of benefit received by virtue It is further stipulated in the reso-

claims will not in any way prejudice the city's claim in the courts that the Knight-Adler law is unconstitutional. seventh for Anderson. The same thing happened on the eighth, which squared the match. R was a quick reversal of form. The ninth was halved in fours. Peacook's approach money it votes for this purpose.

Event the courts thank and adjust the inconstitutional and that the liability for the salaries rests with the State and not the city, the latter will claim reims the city, the latter will claim reims. Statement from the State for all was bursement from the State for all was bursement from the State for all was a constant.

The same amount was left to clashed on several appointments, in- the Branch Hospital, Ann Mary Hoscluding the Prohibition post. Daug- pital at Spring Lake, N. J., Seney erty backed Fairbanks and Willis Hospital, Brooklyn, and Society for backed Haynes.

There has also been some feeling among Ohio leaders over the number of "Harding appointments" made by the President without reference to the State organization. While the President's right to place his friends in office was admitted, it was contended he had not recognized the organization in making appointments to im portant offices.

Most of the Ohioans named for Federal position have been "Harding men" or "Daugherty men" and the slating of Haynes for the Prohibition commissionership is therefore triumph for Senator Willis and the "dry" forces in Ohio.

Senator Willis has told friends the new Commissioner will "enforce the law, not attempt to make it." It is understood the appointment of Major Haynes will be followed shortly by the appointment of new Prohibi-tion directors in the various States and a complete reorganization of the Prohibition enforcement machinery. Scores of enforcement officers and clerical assistants are expected to be

severed from the payroli.

This Is Milk Week

Read Dr. Royal S. Copeland's Answer to the Candy Question

HERE is some undue prejudice against the eating of candy by children. Provided it is pure, candy is not only a toothsome thing, but it possesses positive food value. The best time to serve candy to the children is immediately after the meal, giving it as a dessert. Most of us have a yearning for sweets and many feel unsatisfied after a meal that does not conclude with some sweet thing. Pure Candy or Milk Chocolate is a good dessert. (Signed)
